INTRODUCING CHANNEL C, THE WORLD'S FIRST ON-DEMAND CHRISTIAN TV CHANNEL

CHANNEL C is 3 CHANNELS in 1

TV

Our major tool to draw large amounts of traffic to the site daily. We post interesting, thought-provoking and relevant content to today's changing Christian watchers; content that is perfect for sharing on social media. And because it's all of any length (as opposed to exact lengths, as TV footage needs to be), and does not need to fit rigid TV standards, it is the perfect fit for on-demand TV.

MINISTRY TV

This is your own channel. A place where both Christians - and those seeking to learn more about Christianity - can instantly access your ministry. All your videos are uploaded here, so you can connect your ministry with watchers across the globe. Of course, it goes without saying that you get your own branded page, so users can access all your latest and archived content, plus connect with you and your ministry.

RADIO/PODCASTING

Ditto Ministry TV, as above. If you do radio, or TV - or both - they are both included in your small monthly fee. Radio/Podcasting ministry is just as important a part of Channel C. It has its own dedicated 'Channel', as many people want to listen to teaching, not watch it. Either way, both Ministry TV and Radio/Podcasting are available to you. So that's 2 channels for exposure for your ministry for the price of 1.

FOR JUST \$49 PER MONTH, YOU'LL GET UNLIMITED ACCESS TO ADD AS MUCH CONTENT AS YOU LIKE. **PLUS** YOUR SUBSCRIPTION INCLUDES UNIQUE PAGES ON **BOTH** MINISTRY TV AND RADIO/PODCASTING.
