VIDEO AND AUDIO NEEDS

www.initiatepostproduction.com

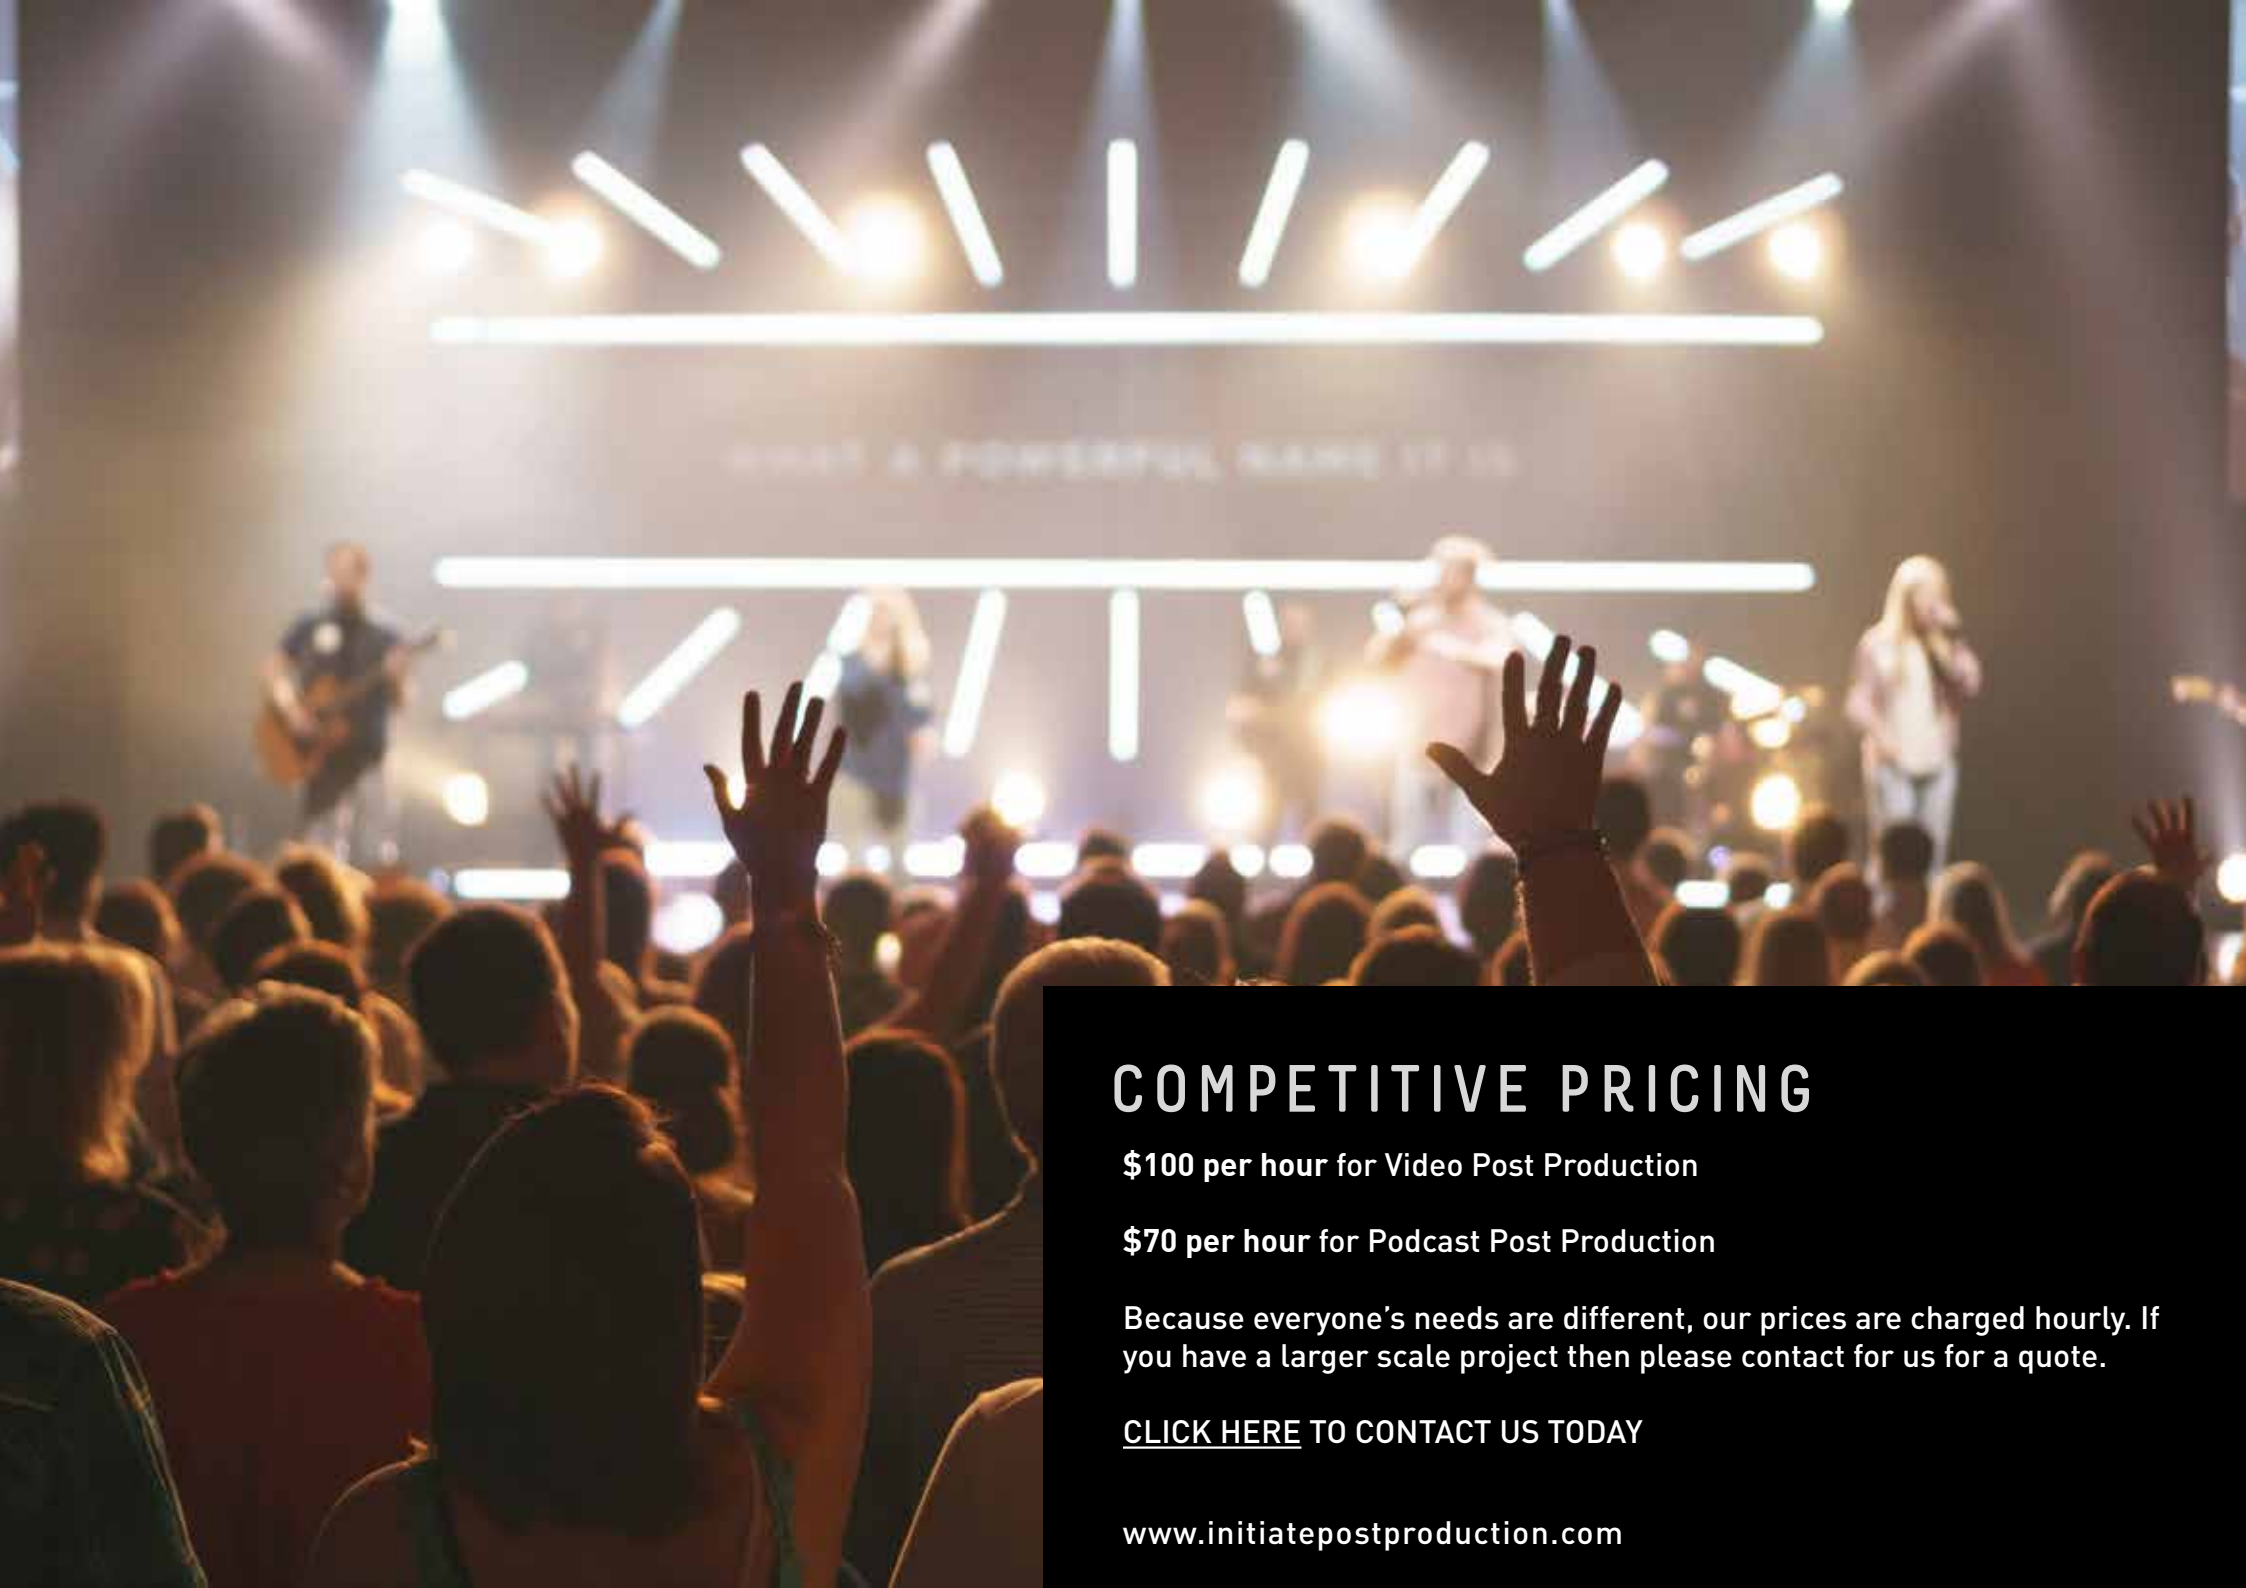

P R O F E S S I O N A L E D G E

It's 2017 and by now you're recording podcasts and even filming your services. Outsourcing the Post Production is the easiest way to get your content edited professionally and ready to listen to or watch online.

FEATURES INCLUDE:

- Top and tail editing for video and podcast
- Video and podcasting cut edit
- Colour grade
- Sound grade
- Scripts
- Manuscript for podcast
- Subtitles for video
- Announcements
- Video and podcast trailer
- Export in multiple formats
- Weekly or fortnightly Skype meeting to keep your videos and podcasts up-to-date to your needs.

COMPETITIVE PRICING

\$100 per hour for Video Post Production

\$70 per hour for Podcast Post Production

Because everyone's needs are different, our prices are charged hourly. If you have a larger scale project then please contact for us for a quote.
